WORK EXPERIENCE

Prep Baseball GA | Atlanta, GA

May 2026 – Present

Scouting Apprentice

- Scouted amateur pitchers, producing evaluations, video breakdowns, and player summaries for digital publication
- Operated TrackMan to collect player performance data and evaluate offensive tools through batting practice metrics
- Authored scouting reports for Prep Baseball GA's Scout Blog, highlighting player tools and future projection
- Published evaluations on standout performers for Prep Baseball GA's Quick Hits coverage

The Team | Remote

September 2025 – May 2026

Baseball Operations Intern

- Prepared salary arbitration research for 5+ pitchers and hitters to create informational presentations for clients
- Compiled 2026 MLB roster data to create a presentation on amateur-to-major league player development trends
- Analyzed ACC Baseball standings using aggregated records and conference performance data over last 5 seasons
- Developed an amateur baseball database in Synergy and R to improve accuracy in identifying top prospects

Major League Baseball | New York, New York

June 2025 – August 2025

Baseball Operations Intern

- Executed salary arbitration case using industry tools, finding relevant comparable players and analyzing relevant market
- Edited video clips of in-game MiLB incidents for umpire evaluation and development on a daily basis
- Designed umpire crew schedules for 20 teams in the Arizona and Florida Complex Leagues
- Collected 100+ video clips of MiLB umpire head blows to aid umpire coaching, development and safety

Major League Baseball's Take the Field Program | Orlando, FL

December 2025

Participant

- Selected from 800+ applicants to participate in roundtable discussions and panels on baseball operations topics
- Synthesized insights from 10+ industry leaders on how Baseball Operations and analytics drive roster decisions
- Collaborated with Take the Field participants to discuss problem-solving approaches within Baseball Operations

Legal Issues in Sports | St. Louis, MO

October 2024 – December 2025

Teaching Assistant

- Rewrote final Baseball Arbitration case reflecting updated MLB service levels and recent player arbitration salaries
- Found 15+ comparable players for analysis and gathered 10+ statistics for each player to calculate player value

Georgia Tech Athletic Department | Atlanta, GA

May 2024 – August 2024

Data Analytics Intern

- Collected College Basketball data on teams, conferences and postseason tournaments from 2014-2024 to build a model to predict NET ranking
- Designed a Tableau dashboard to easily visualize daily College Basketball data and quickly analyze quality of each team's wins and losses
