+ Strengths
- Accurate arm consistently on the bag or arm side
- Average arm strength
- Consistent footwork in line to 2B
- Average transfers

- Weaknesses
- Choppy footwork at times

POWER (Grade) 30/60

+ Strengths
- Proven success against high quality arms + Velo
- Feel to lift the ball in the air pull side
- Minimal IZ whiff
- Advanced approach looking for FBs early in counts, spitting on offspeed below the zone

- Weaknesses
- Not a swing you teach, loud lower half
- Rigid swing with minimal athleticism or adjustability

Comments/Remarks

- Enfectious energy on the field and one of the better personalities I've seen
- Unique swing that he's unapologetic about. Confident that it works for him.
- Swing geared for pulling fly balls in the air
